SECRETARY'S REPORT

- We have a C-Grade Coaching position still available for the 2007 season. If there are any expressions of interest, please pass on my details.
- The ARL Level 1 Coaches course will be held on 27 May (Mod) & 9 June (International). If any Team Officials are interested in attending please come and see me.
- I am still noticing empty bottles and chip packets around the fields. Please do the right thing and place your rubbish in our bins.
- We have three international sides (U18's, C-Grade & A-Grade) playing at home this Sunday. It will be great if we can get a big crowd to support our teams.
- We are still looking for Sponsors for this year. Anyone wishing to sponsor a team, please come and see me or pass on my contact details.
- On 10 May we had two NRL Bulldogs players attend our training sessions. Ben Roberts & Chris Armit ran through drills with our players, answered questions from players & officials and signed autographs. It was great to see that Ben & Chris enjoyed the night and thanks to everyone who participated made them feel very welcome.

I would like to welcome back our friendly coach Khaled Chami and our best player Abdullah Chami. Boys you played fantastic game and you tried very hard. Our first try came from Mahmoud and second try came from Mohammed Yagi and third try came from Tyrone congratulations kids. The man of the match for this week is Mahmoud that's not mean the other player doesn't played hard they played very very hard. So kids I want you to shoe up the best and i want you to get back to where you should be .I want you every week to train hard and hard. Boys don't worry you are not giving up there is too many games coming for you.

U8 Res vs Banks Bulls - Won 48/6

Well done boys. What a turn around from last weeks loss. You all had a great game and played like a team. The teams attack was fantastic to watch against an unorganised opposition, which made too many mistakes. The team scored great tries both through individual talent as well as some great team tries. A great improvement in defense was displayed by all players in the team. The team consistently moved up together in a line which made it hard for the opposition to break our line. It was good to see all players helping each in tackling the opposition to the ground. All the team appears to be hungry to defend and attack, which makes your games exciting to watch. Keep up the good work boys and you will get results like this every game. Congratulation to Yousef for nearly destroying the posts while kicking his first goal. Man of the Match: Dominic. U9 B vs St Christophers G - Won 38/0

Well what a difference a week makes. Not much to say except that everyone put in this week, and it made a great difference to the scoreboard. We tackled well, we moved up together and we spread the ball quickly and safely most of the time. Jayden was outstanding in this game, and back to his very best, scoring 3 tries and

Wet Weather - 1300 655 180

In the event of wet weather, call the above number and listen out for Abbot Park

running hard into the St Christophers defence. All the boys were trying hard, and enjoyed scoring some points in this game, which we have missed. There were still a couple of mistakes in there, but nowhere near as many as previous weeks, which made a huge difference. Turei, Daniel, Adam H, Josh and Kam joined in with tries to add to Jayden's three, and overall was a very good effort. We need to keep up the training, continue with the good defence we showed this week, and we'll do well again next week. Thanks to Adam Hamawi for his great efforts over the past few weeks, well done mate. Man of the match points this week went to Jayden and Josh. **Eli, Sam, Kam & Seffana**

U9 G vs St Christophers M - Lost 0/26

A good score line with a 0-10 score line by half time against a well played side. But we started the second half shooting letting in a run away try from the kick off. This was our downfall. We let them win the game very easy without a fight. We started to argue and fight between ourselves, this is not the way we win games, this is how we lose games and that's what happened (very disappointing). I know we could have had a chance in this game to come close to a win but you all let it go. Guys, we are not playing mini league anymore. We're playing Mod Grade so start playing like a team. No more of the silly fighting on the field, start using your minds and concentrating on the game. You will be surprised what you all could achieve. From now, if a player on the field causes any problems or swearing, they will be pulled of the field quick smart and replaced. I will not tolerate this behaviour. I spoke to you all about spreading the ball out to wingers not once did I see that happen. Remember your position and remember these words I spoke about and don't forget them (give me a VEE not a donut) don't forget. On a good note, Max had a blinder of a game taking out Man of the Match and Fawzi taking out the Best Tacklers award. Ali and Mitchell had a great game using their mind by reading the game, very impressive. David's defence was great to the point of taking the first tackle then

another one off the while still on the ground, that's determination. Don't forget training is on Tues & Thurs, so be there. **John, Melissa & Jeff**

U10 Res vs Moorebank B - Won 38/12

The Hornets have continued their unbeaten run with a 38-12 win against a determined Moorebank side. With each of the boys been rotated into different positions, the effort was incredible. Sione and Josh started in the halves and did a great job to send the ball out to the backs for us to score a majority of our tries. Our Man of the Match & 3pts went to Simon who I can say will be a star player in years to come. He scored 4 tries with just power running and is going a great job at training with his fitness and it showed on the paddock. 2pts went to Troy who had a run in the forwards and took it up to the opposition with some great runs. Good work Son! 1pt went to Josh for his great running and organisation at five eighth. The boys led 16-6 at the break and went on with the job in the second half to win 38-12. Ali had a great game at dummy half and scored a try. Congratulations to Mohamed Chami who scored his first try ever in supporting Sione's run. Great work champs. All the boys played well in a great team effort by the team. At times, we were all bunched up but we will work on it boys. An apology to Paul in last weeks newsletter, I had Sione for 2pts when in fact it was Paul. Sorry mate. **Troy, Greg, Wayne & Rabee**

U11 vs Brothers - Won 36/28

It was a very intense game that had everyone on their feet from start to finish. It was a very important game for us, and the boys really stood up for the occasion. We didn't start off so well with too many errors that proved in the early stages of the game, with Brothers taking a 10-0 lead in the first 5 minutes. But to the boys' credit they re-grouped and put a few sets together and hit back with a lead at half time of 22-16, at the break we told the boys not to drop off and go on with the job and for the first time this year we did just that. Once again our forwards of Clay, Oddy, Abdul and Adam hit the ball up with some great hit ups. Issa once again gave great service from dummy half and backed it up with good solid defence. Kerian and Sammi two of the smallest kids on the team also contributed to this win. Special mention this week goes to our two halves Christain and Manaia, they swapped roles this week and done a fantastic job leading the troops around and playing the best game they have had this year. Overall we were showing great potential and things are looking promising. We can take a few things from this game which we will work at training, keep up the great work boys and it's great that we walked away with the points. I'd like to thank Peter Ralph from "C" grade for running the water and keeping the boys on their feet. Thanks to Adams mum for washing the jerseys, and finally to the supporters for cheering on the boys to victory you were very vocal. U12 Res vs Banks Sports - Lost 20/26

We had a feeling that Sporties thought they were in for an easy afternoon, they were sadly mistaken. The boys really dug in and nearly pulled off a great upset, considering last year's result was in favour of Sporties by around 40 points. With the game going try for try in the first half, we went to the break leading 16-12. At times we were a bit loose in defence, and also dropped the ball at vital times, which really kept Sporties in the contest. The rub of the green certainly went against us in the 2nd half but to the boys' credit they never stopped trying and even in the dying minutes, still looked to shift the ball to score, only to be cut down short of the line. Semisi was outstanding taking the ball forward and gaining valuable metres, followed by the rest of the forward pack, giving Luke and Jacob the opportunity to get the backline firing. Our outside backs always looked dangerous. All in all a very pleasing

effort but we still have some work to do if we are to cause a few more upsets during the season.

U14 vs St Johns - Draw 24/24

I want to thank the 15's and 13's team officials and players for their co-operation during the last week in allowing us the opportunity to gain maximum training time on the main field to prepare for action under lights. Also thanks to the 12 Reserves in loaning us a No.1 jersey as none were available in the spare sets. It's good that there's at least some positive support going around. Other than that I just want to say how proud I am of all my players, trainers and manager. They all did their absolute best under unbelievably difficult circumstances and to come away with a draw against last year's Grand Finalists is an amazing effort and more so considering they whipped us 30-10 and 38-6. Our fullback and captain Charlie Ellias won the Players Player in a landside decision and his performance deserves all the accolades. Kaan Denkgelen's excellent form continues to rise and took out the Supporters Award as selected by Kam Paseka. We thank Kam for stepping into the breach at very short notice. Justin Byrne took out the Coaches Award and he is close to the most improved player in the side. We have certainly become one of the most improved sides in the District, let alone our own Club. I know this team is heading in the right direction, the people inside the team are the best a coach could hope for and the results on and off the field testify to that. U15 vs St George Dragons - Lost 16/30

After a fortnight of no game time the boys went out all guns blazing and had the score tied up at 6 all at half time. The second wasn't as favourable as fatigue started to play a part and a couple of silly penalties and poor ball security had St George capitalise and score few quick tries. The boys got their second wind with ten mins to go with a great 50m kick chase by the two Johnny combination but time was not on our side. Two tries by our work horse Sifa and the third try and conversions went to John Mouliamas. We were very proud of the boy's efforts and know that they took away a few valuable lessons from a game that they were competitive in for 50 of the 60 mins. 3 points went to Aaron, 2 points went to John Mouliamas and one went to John Kashro (Alfie).
