U7 vs Berala - Lost 10/34

Boys you lost again this week. It is extremely disappointing because it makes it your third straight loss. I have nothing to say to you all because you train so hard but when it come to a game you all become lazy. The only important thing I would like to say is that the man of the match is Jacob this is because he tried very hard and put a lot of effort into the game. I just hope you play the best you can next week.

U8 Res vs East Hills - Won 28/10

Good win boys against a side that has improved from last year. Over all the team played well but for periods during the game the team appeared to lose concentration both in attack and defense. Old habits started to creep back into your game and the opposition was able to score easy tries. It seemed that the game plan was not being followed. It wasn't until the team focused on the game that you were able to put the opposition away. The teams attack once it got started was again exciting to watch. Good attacking tries by Brandon and Joshua were a pleasure to watch. Attacking breaks were well supported by all players in the team. But remember if the player making the break doesn't know you are there in support he can't pass you the ball. You need to let your team mate know you are there in support. As for defense, the team has continued to improve but still needs to pull up their socks, work as a team and defend for the whole game. We all know you can tackle and defend, we see you do it at training, so why can't you do it in the games? The team can't continue to leave it up to a few individual's to do the majority of the defensive work in the game. Come on boys we know you can do better. So continue to train hard, listen to you coach and trainers and the wins will keep coming our way. Man of the Match - Joshua. **Chris, Karen, Rae & Michael**

U9 B vs Greenacre - Lost 12/18

We were disappointed because we really should have won this game. The effort put in at training was not shown out there on the field. Again, at times we struggled to tackle legs, especially of their best player, and he scored all of their tries, so it would have made a big difference! Kam was also denied a try which was a controversial decision, but that's footy for you, we have to learn to bounce back from those things and keep our heads up. However, it was a gutsy effort considering the run of bad luck we have been having with illness and injuries, etc. There was actually only three tries scored each, but they kicked all of their goals, and we need some goal kicking practice, which will help us in these close games. We need to wake up boys, because we are good enough to beat most of these sides, but we just aren't putting it together on the day. We have the bye next week and hopefully the break will bring us all back to our best. Tries scored by Jaidon, Josh and Trent and point this week went to Turei and Max. Well done.

U10 Res vs Berala - Won 24/12

The undefeated Hornets continued their winning way with a 24-12 victory against a more aggressive Berala who really put it to us in the second half. The boys scored some great individual tries by Troy and Paul put us up 12/0. Then Feleti scored his first league try and then Sione took an unbelievable intercept to go into half time 24/6 at half time with Berala scoring. Berala came out guns blazing and scored right after half time to trail 24/12 with our boys holding them out. It was our first really hit out which shows we have a bit of work to do in defence our try scoring ability is no problem. In all boys, it was a great effort from the whole team. Our Man of the Match and 3pts went to a kid who only

started playing league this year and he showed a lot of class to score a try and tackled anything that moved. Well done Feleti! 2pts went to Paul who continues to impress with his hard running, tackling and scored a great try. 1pt was shared by Troy and Hayden. Hayden who took the ball up all day and made 20 tackles. Troy for his hard running, tackling from marker and a great try. Keep it going boys! **Troy, Greg, Wayne & Rabee**

U11 vs Berala - Lost 18/30

Going into this week I considered it a game we should win, but was disappointed we didn't. We started off well with Christian going over for our first try, thanks to a great tackle from Clay to knock the ball out of the opposition player. But that's when we fell asleep, with too many missed tackles and giving away too many penalties for off side. When you give a team like Berala repeat sets something has to give. Going into the break at 18-6 down it was still anybody's game. Bears came out in the second half and scored another two quick tries to give them a 30-6 lead with only 10mins to go. But to the boy's credit they didn't give up, Christian went over for his second try which was converted by Oddy. Manaia soon followed with one of his trade mark tries stepping and weaving through Berala's defence to score just before time. Even though the game was gone the boy's didn't throw in the towel and played some good footy, with ten minutes to go the final score was 30-18. Once again Oddy was the pick of the forwards busting through the defence several times. Sammi, Keiren and Manaia also contributed in defence with some great tackling. Special mention this week goes to one of our new players which has never played league before and that goes to Mahmoud, his defence on the weekend was

U12 Res vs Banks Bulls - Lost 0/34

Having only 11 out of 17 players at training on Friday due to illness, injuries, etc, our preparation was a little disrupted, disjointed etc, and we trained accordingly. The training session went poorly as did our game on Saturday. We were far too loose in defence, giving the Bulls easy metres. In attack, our options at times were poor. We really should have scored at least 3 tries. Remember guys, if we don't concentrate at training sessions, this is the sort of result we can expect to be on the end of. Keep your heads up boys. Weeks like this happen in footy and the great thing is that it's on again next week. Work harder together in defence, give each other more room in attack and good things will come from your efforts. On behalf of our team and officials, we would like to thank Clay Gordon for helping us out by playing the 2nd half, your efforts were greatly appreciated. **Craig, Kym, Nicki, Mark & John**

U12 vs Berala - Lost 10/40

Well boys we all know that the game of Rugby league is a very cruel game, I mean the improvement we showed from our last game warranted a win but unfortunately Berala was just too strong. The manner in which our forwards improved from last week, the way they hit the ball up and the way they defended for around 90% of the game deserved more than 10 points. Our backs this week had to do a lot of defensive work against a much larger Berala backline and they did well considering the situations they were put under. Boys we shouldn't judge this performance by the score line, it is obvious that we are putting most things we are learning at training into effect on the field but its just giving it that extra 10% that will get us over the line. Most would agree that our major downfall was again our one on one defence; Berala showed how to do it very effectively and as a result showed they could score points on the back of some heavy defence. Boys the trick is, and its very simple, take out the big boys' legs. It doesn't matter how big a player is, with no legs he can't run. However

this week we saw another great performance by the man of the match Benjamin Johns who made 16 tackles and 10 hit-ups. 2 points went to Aaron Pene who made 9 tackles (and we heard the impact of them from the sideline). Speaking of hearing the grunts and groans from the sideline, Vincent added extra to the meaning of running with passion. His screams were heard from very far away and his screams were very effective because along with his powerful runs he made many breaks, well done Vincent and for that great effort today you deserved 1 point. Boys lets take some inspiration from that game and work with it for the rest of the season. Let's put passion into our training and warm-up routines and we will definitely win many games. **John, Tania, Pres & Joey**

U14 vs Milperra Colts - Won 60/0 (Mercy)

We were expected to win this match comfortably and the players did their job with professionalism and no fuss to wrap it up five minutes into the second half. Milperra to their credit never gave up, produced many good hits and kept on trying new things to stay in the clash. This match was a good opportunity to give several players the opportunity they deserved and several of them took their chances including Tane Gilling who went looking for plenty of work and David McDougall powered forward for the full first half after a slow start. Kaan Denkgelen's five-star season continues as he scored his first premierships try since 2005, Jamie Tarasek's service from hooker was first class, Fusi Maka led from the front up the middle, Afif Waizani continues to impress and Josh Morgan had a field day scoring 20 points from a try and eight goals. Josh took out the Supporters Award this week as selected by Karen Boyd-Myers. The highlight was the performance of Adam Wilson coming on as a super-sub and ripped the Colts apart with his 'Raging Bull' like charges. It was a good hit out after two tough matches and four tough ones coming. We have made an encouraging start to the season, but we still have to keep on improving and working hard as a team to be a serious threat to the big guns. Thanks to Daniel Lee and Emre Denkgelen for running the water and thanks to all my support staff for the work they've done with the side. On Saturday the side raised some valuable funds and thanks to Tane, Nathan, Justin, Youssef, Jamie, Gary, Toutai, Kaan and

U15 vs Moorebank - Won 32/20

Not the most ideal preparation we would of wanted just before kick off due to some unforeseen circumstances.

The boys not wanting to play and letting in some soft tries from Moorebank which were scored from dummy half on our try line wasn't the plan. After being 16-6 down at half time the boys came out second half and showed what they can do when they are switched on. Although we still made some silly mistakes the boys really dug deep and stuck to the game plan taking home the win convincingly. Being mobile and looking for players wanting to run was the trick. The combo from our big man Hebron and Johny Moana proved to be lethal. 2 tries each for Hebron and Amer and 1 try each to Aaron, Johny Moana and Saggy. Two goals to Johnie Mouliamos. Now that we are almost back to a 20man squad we need the boys to train hard to earn positions in the top 17. Hopefully I can get the boys to believe that a big effort at training will pay off on game day. 3 pts Johny Moana, 2 pts Hebron, 1 pt Aaron
