SECRETARY'S REPORT

- I would like to say a big thankyou to Tania Tairaoa for organising our Trivia Night last Saturday. Mark Geyer hosted the event and all who attended had a great night.
- Competition games will now be played on 7 & 8 July. The Junior League had scheduled no games for that weekend during the school holidays, but with the number of washed out games recently, it was decided that it would be necessary to add games during this weekend.
- The Under 6's Gala Day will be held on 18 August and we will have 2 sides participating. Times & venue TBA.
- I have had reports that rubbish is starting to build up again on the main field. The issue is the amount of Powerade lids being found while the field is being cleaned. You all know the drill on where to place your rubbish and please make it happen.
- I have some great news to all Players, Officials & Committee Members. You will receive our new club shirt's/polo's to wear once your fees are paid. The club wants to see everyone wearing the shirts to their home and away games. Our Gear Stewards will be organising the allocation & distribution of the shirts. Thank you to George Kashro who organised the order for our club and to both Workscene & Superb Electronics for contributing to the cost of this.

U8 Res vs Berala Bears Y - Won 46/4

It was great to finally get back to playing some football after all this rain. Every player in the team contributed to this great win. The opposition had no answer to our brilliant attack. Our straight running and support for the ball carrier allowed our team to score tries at will. Our defense stood proud with some great individual and team tackling happening throughout the game. All in all it was an excellent game to watch. It is pleasing to see that the skills you have been taught are being put into practice on game day. So team, keep up the good work, train hard and your game will continue to improve as we approach the business end of the season. Player of the Match: Shania

Wet Weather - 1300 655 180

In the event of wet weather, call the above number and listen out for Abbot Park

U9 B vs St Johns - Won 34/20

Seems like months since we played, and we were a little rusty to begin with. Our defensive technique left a lot to be desired in the first half, and we missed a few tackles. We went to the break just ahead of the opposition, but we had no reserves, and they had 2 or 3, so we knew the 2nd half was going to be tough.

However, our attack was better and we managed to fight out a great win. Great game by all of the boys, with Max leading in defence, saving a couple of tries to the opposition. Also well played to Daniel, Turei and Peter who got the points this week. Let's hope for some dry weather, so we can get some more footy.

U10 Res vs Moorebank W - Won 30/6

Well what can I say, it was great to have some good weather so that the boys could keep us their winning sequence with a great 30/6 win to the boys!! It probably wasn't one of our best games with a lot of errors and not everyone moving up in a line but that's what happens when you haven't played and trained for two weeks. So hopefully the rain stays away and we can go back to the way we have been training and playing. We just were struggling a little today. But full credit to the boys who led 24 at half time and then kept the opposition to one try for the match. 3pts and Man of the Match went to Feleti who again showed us that on his day, he can tackle and take the ball up with ease and scored a great try. 2pts went to Troy who tackled his heart out and made some great runs. 1pt went to Hayden and Sione who took the ball up all day and tackled as well. I'd like to thank the boys and dads for a great night at the State of Origin over a week ago.

We enjoyed a good night with the U/11's boys and parents and would like to thank Michael Mohammed for his help. The club would've been proud of the boys behaviour all night as we had 50 people on the bus and 35 of them were kids for full credit to the kids.

Unfortunately, the result didn't go our way with NSW losing but I'm quite sure it would have been an experience for the kids in front of 60,000 people.

U11 vs Bass Hill Warriors - 50/0 (Mercy)

Welcome back after two weeks with games been cancelled it's good to be back. The boy's really put it together considering we haven't played for so long, completely outclassing their opponents. Our attack was outstanding with all the forwards dominating with powerful runs to get us in try scoring positions. Our defence which kept our opposition scoreless was absolutely awesome, with some great shots been put on them. In all we scored 10 tries for the match to win 52-0, the way we were throwing the ball around and backing up was great. Special mention this week goes to Ishaq he really put in a powerful performance in attack and defence which was backed up by all the boy's. I'd also like to thank all the boy's for being on their best behaviour on state of origin night; you guys are a pleasure to take out. And to all the parents thank you for helping out on the night. Onto something very exiting on behalf of the team and officials, I'd like to congratulate Christian on making it to Westfield sports High School. It's not an easy task to achieve but with his skills and leadership, which he shows week in week

U14 vs St Christophers - Won 48/8

We travelled down to Bill Delauney Reserve for our 8th road trip in nine matches to face up to St Christophers. In the previous report I mentioned the key elements was for everyone to stick together, be positive, improve our attitude, communicate better and get back to basics and we achieved all those plus more. It was the most awesome performance I have seen from this side except for a small 10 minute period prior to half-time. To score nine tries and only concede one on their soil was great in itself and even better since it was our first win there. Fusi Maka was elevated to vice-captain and thrived on the responsibility winning the Players Player Award hands down. Josh Morgan continues to develop as a fine halfback and won the Supporters Award as selected by Richard Julius. Adam Wilson had one of his better matches and his power in both attack and defence was amazing. Justin Byrne and Tane Gilling by following the ball picked up well deserved tries. Anthony Boyd-Myers was outstanding scoring five tries taking advantage of the dominance laid by our forwards. Nathan Julius was solid at hooker and took out my Coaches Award. Ethan Rogers and Toutai Leger worked up a great combination down the right side. Brenden Santi took on the captaincy for this match and he's playing his best football this season. It was a performance where it all came together and it just

shows that a positive attitude leading to the game achieves positive results. Thanks to Technometal Design and Toyota Material Handling for their support of the Under 14's. Hopefully this team can play at home soon as they deserve to be showcased in front of our club supporters on more than one occasion.
