U7 Thirds vs Moorebank - Lost 20/24

Well done kids that was one of our best games yet and we were playing one kid down!! We kicked off the game with Abdullah R scoring our 1st try in the 1st few minutes. Shelley was our top tackler this week, it seemed nearly every tackle that was to be made Shelley was right in there. Lachlan was our Man of the Match, not only did he make some good tackles he made some outstanding runs down the field as well, at one stage he had nearly the whole opposing team on him but he just kept going! Both teams scored 5 tries, ours were made by Abdullah R x 2 and Abdulla D x 3, Moorebank converted 2 of their tries and if we were to convert 3 of those tries we would've won that game. Jakob, Adam and Khaled were fast on their feet in the game, chasing quickly after the opposing team when they had possession of the ball. Overall kids you all played fantastic this week and it was good to see that you were all concentrating on the game rather than bickering between yourselves, Remember to listen to Samantha! We are all very proud of you, Well done.

Another great effort this week but don't worry boys I know it's a very hard game. The tries were scored by

Wet Weather - 1300 655 180

In the event of wet weather, call the above number and listen out for Abbot Park

Mohammed Grawi (2) & Jacob (1). Our Man of the Match was Ali Chreideh good luck for him. Kids keep training hard and I would like to see you all at the game.

U8 Res vs Banks Sports - Won 34/12

What a great game team. Every player in the team looked hungry to play their part. The teams attack was simple outstanding to watch. Excellent straight running from the forwards, with some great off loads from Brayden in his runs, provide a platform for Brandon to score two first half tries. The score line was soon added to by some great attacking runs that kept the opposition unable to defend, which resulted in Sam scoring his first try of the season. The second half saw even more improvement in the teams attack with tries to Oliver, John and Gabby scoring twice. Our defensive work appears to be improving with every game. The team came up together in a straight defensive line for the majority of the game. All players displayed commitment in defense and tackling the opposition with some great one on one tackles by Daniel, Brandon and Oliver a high light of the game. All in all it was a great game considering the small amount of game time the team has had in the past few weeks. So team to keep this improvement going it is important for all players in the team to turn up to training on time. This especially important considering we have the bye this week and the following week the semi-finals start. So train hard, continue to work on your weakness and develop your strengths and the wins will keep coming. See you all at training. Man of the Match: Oliver

U9 B vs Chester Hill G - Won 30/0

Playing against club mates is always a hard game, but this one was played in good spirits and the Gold team looked great in the old Bulls jerseys. Our team was short of players today, a casualty of the school

holidays, but all the boys were determined to keep our semi final hopes alive by winning the game. Trent, Max, Matthew, Kam and Peter got the awards today, but all the boys played their hearts out, and showed some great defence to keep the Golds away from our tryline, even though they were trying their hardest to do so. Well done boys, you dug deep, we need to keep winning to get to those semi finals and show the other teams just how good we can be. **Eli, Sam, Kam & Seffana**

U11 vs St Christophers - Won 42/6

A much tougher game this week coming up against St Chrissies who are on top of us on the table, but it was all smiles at full time with the young hornets smashing Chrissies 42-6. It was a must win to keep our semi hopes alive the boys knew that and came out all guns blazing, with our forwards making big inroad's with vicious running led by Clay and backed up by Ishaq, Oddy, Adam and Hayden from the under 10's. Whatever you had before the game keep on having it, it was the best game you have had all year Clay, well done. Going into the break at 24-0 the boy's were really pumped at half time encouraging one another to go on with it. We lost Adam just before the break due to illness and the boy's put in an extra 100%. The second half was a fine team performance as we worked hard in defence and we played the best football this year, with the tries just coming in waves. Ishaq only playing his second game in the second row made a huge impact on the game, our outside backs Christian, Sammi, Abdul, Keiren and

Mahmoud were dangerous whenever they touched the ball. Our hooker Issa who does those little things that don't get noticed really played well, cleaning up any loose balls and backing up his team mates. Manaia Cuthbert had an outstanding game organizing the side brilliantly. He was helped by his partner in the halves Christian who had one of his trademark games. Well done boy's with the tremendous effort you all put in today. Semi's are just around the corner if we're there they better watch out GO CHESO. I'd like to thank both the under nines teams for their club spirit clapping us on the field before the game. We would also like to wish Levrone a speedy recovery after falling ill all week. On behalf of the team and officials we'd like to thank Abdul's father for buying the boy's kebabs and drinks after the game. Special mention this week goes once again to Troy and Hayden from the under 10's, we had two kids pull out this week so we were down to eleven players once again these two kids put their hand up to help considering they had no games themselves the boy's didn't think twice in coming down. Thanks boy's for helping us out. Man of the Match - Clay, Players Player - Clay, Encouragement Award - Ishaq.

U12 Res vs Moorebank - Lost 4/36

Finally after 5 weeks (all the rain, plus the bye), and only 2 training sessions, we got a game of football. Unfortunately our first game back was against the competition leaders, Moorebank. At times we competed with them, other times we really did look like we hadn't played in a while. But the boys kept trying to the end. Mohammed was our best and fairest today, keeping busy both in defence and attack. Good to see Semisi finally get that try he worked so hard for, and was very unlucky not to pick up another one. With a little bit more width in our backline attack, we probably could have put a couple more tries on Moorebank, but it wasn't to be today. Mustapha again was safe at fullback, and we welcome Billy back from a 12 week recovery from injury. Well done Billy. Thanks again to Clay Gordon for backing up and helping us out. Hopefully the next game at East Hills, we'll muscle up better in defence, and give ourselves more width in attack, and get back to the way we were playing before the long break we had. **Craig, Kym, Nicki, Mark & John**

U14 vs Banks Sports - Won 18/20

It was always going to be a tough game facing Bankstown Sports in a feisty local derby at Steve Folkes Reserve. The score will suggest we only narrowly won the match and it was a great get out of jail job. It was Sporties Grand Final and they played an outstanding game pushing us all the way for the points. After being down early in the game, we regrouped to lead 10-6 at the break. We extended our lead to 16-6 and we were looking the goods. We lost our way and they scored two tries to lead 18-16. The game looked gone and then Brenden stole it plucking a bomb out of the air to score a determined try. We didn't play well and we need to work better as a group if we're going to be a force. However, we did show great character to come from behind and steal the match when it was lost. The players deserve all the credit for hanging in there and grabbing their chance. These victories are as important as flogging a team off the park. Brenden won the Players Player in a superb all-round effort. Adam worked very hard for the team and took out the Supporters Award as selected by Michael. Abdul had his best match of the season and his runs from dummy half were exceptional. Youssef was excellent in his work helping out the forwards, fullback Charlie stood tall and Josh Morgan is developing into one of the outstanding halfbacks in the competition. With three players being out we borrowed Abdulhafees from the Under 13's where he handled himself very well and has a good future in front of him. Thanks to Technometal Design and Toyota Material Handling for their support of the Under 14's. Awards - Players: Brenden, Coaches: Abdul K, Supporters: Adam **Matt, Rae, Rob, Daniel & Emre**
